

Paper Submission

SAFECOMP welcomes original work neither published nor submitted elsewhere on both industrial and research experience, including case studies and pilots. Full paper submissions are subjected to a formal peer-review process. The language of the conference is English.

Submissions: Abstracts and papers are submitted through the Springer's Online Conference Service (OCS).

[Submission \(closed\)](#)

Contributions are to be submitted in portable document format (pdf) or postscript (ps). They must indicate the name, postal address, e-mail address, phone and fax number of the contact author. We recommend you print your file and review it for integrity (fonts, symbols, equations etc.) before submitting it.

Abstracts: In order to support the reviewing process we ask a preliminary submission of a half-page abstract announcing the intention to submit a full paper and summarizing the content of the paper, its objectives and original contribution.

Full papers: Full papers must not exceed the maximum length of 14 pages to be edited according to the LNCS templates provided by Springer-Verlag at the web site: <http://www.springer.de/comp/lncs/>

. Camera ready version of all the accepted papers must be prepared according to the Springer instructions
